## Top Bucket List Vacations

List your top 5 destinations and top 5 activities with the most desirable ones at the top. If you are traveling as a couple, this is where you want to negotiate. Next to each one, put a year by which you would like to check it off your list.

Now keep this handy and make sure to check these off as you complete them. Of course, it is a good idea to review and update at least once a year. Using a list like this is how you will make sure you get all of these into your traveling life.
